

Dear Parish Leader,

Thank you for agreeing to be part of the pilot program to promote **Legacy Sunday** in your church. This kind of event is a first step in building awareness of the benefits of taking steps now to fund your church's future.

In these Legacy Sunday materials, the Episcopal Church Foundation (ECF) is offering resources to emphasize the importance of remembering the ministry of the parish in Legacy Planning. Creating a legacy event at your church is very easy:

- Set aside a Sunday as **Legacy Sunday**. We suggest All Saints Sunday, or a patronal feast, or perhaps an anniversary that is significant in your church's history. There are likely a number of appropriate dates that will fit your congregation's needs. Please just let us know of your final decision.
- Go to the Legacy Sunday page of the Episcopal Church Foundation [website](#). You will find materials to help create a Legacy Sunday that will inform and inspire your members to recognize the importance of planned gifts.
- Assistance is just a phone call away. Please call Demi Prentiss at ECF (210-262-1479) with any questions.

Thank you again for participating in this important way of projecting your church's ministry into the future. To get started, please email your name, the name of your parish, and your anticipated Legacy Sunday date to Demi Prentiss at [dprentiss@episcopalchurchfoundation.org](mailto:dprentiss@episcopalchurchfoundation.org).

Please be sure to share your plans and your process with ECF. Your experience and feedback will help extend Legacy Planning as a vital part of expanding ministry and mission throughout the church.

Sincerely,

James Murphy  
Managing Program Director  
Episcopal Church Foundation
